

**i ricorda, o boschi ambrosi by Monteverdi**

All the woods and shady branches Give me comfort in my weeping.

Now in happiness rejoices,  
And in friendship now we all sing.

***Vi ricorda, o boschi ambrosi*** is from an opera by the composer Monteverdi.

The opera is called L'Orfeo and is about the musician Orfeo (Orpheus).

Orfeo sings this song when he is getting ready for his wedding to the nymph Eurydice. He sings about his sadness turning to joy when he met Eurydice.
