It's nev-er too late\_ to get back on track, to get at least some if not all  
\_\_ of it back, I though I was hap-py, and some-times I was, but sad-ness is just as im por-  
- tant be-cause got to car-ry the weight I hope,\_\_ it's nev-er too late.\_\_  
Nev-er too late to fight the fight, nev-er too late to cheat the night,  
nev-er too late to win the day, nev-er too late to break a way, time will start to move too fast, the  
time is now, my friends, I'm a long way from the start but fur-ther from the end. Oh,\_\_ oh,  
\_\_ it's nev-er too late.\_\_
