NEXT STEPS

If you like the sound of RHYO, why not get in touch with us and let us hear you play? You can either arrange a time with one of our tutors to hear you play, or send in a video of you playing your instrument. You can play a short piece (approx. 2 - 5 minutes long) to a backing track or accompaniment and send us the video via WeTransfer.com or upload it to YouTube and share the link with us. Please remember to title the video file with your name and instrument.

Whether you're emailing us the link or using WeTransfer, do send us a message at info@nottinghammusic.org.uk telling us who you are, what instrument you play & which school you attend.

4 Week Trial: If you receive an offer to join RHYO, your first 4 weeks will be seen as a trial phase. This gives you an opportunity to experience RHYO before you make up your mind. There is no fee or cost associated with the trial phase and it is simply a way of making you comfortable with your choice.

We can't wait to welcome you to our musical family!
